

Avondale Haslet Animal Clinic, Inc.

1321 Avondale Haslet Road, Bldg. A
Haslet, TX 76052
817-439-5252
817-439-8476 (fax)

Your pet is here today for their annual physical and necessary vaccinations. In order to provide the best possible care we would ask that you take a few minutes to answer the following questions.

Please let us know if any of your contact information has changed:

Client: _____
Spouse: _____
Pet's name: _____
Client address: _____

Client e-mail: _____
Phone number(s): Home: _____ Work: _____
Cell: _____

Please select any **additional** services you would like us to do today:

	Yes	No
Nail Trim - \$15.25	<input type="checkbox"/>	<input type="checkbox"/>
Microchip Application - \$60	<input type="checkbox"/>	<input type="checkbox"/>
Anal Gland Expression - \$16.50	<input type="checkbox"/>	<input type="checkbox"/>
Annual Blood Work – starting at \$65	<input type="checkbox"/>	<input type="checkbox"/>

Annual blood work will look at blood counts and major organ systems (liver, kidney, and thyroid). These are strongly recommended particularly for pets over 5 years of age.

Heartworm preventative? Yes No

Would you like a *6-month injectable* or *monthly chewable tablets*?

Flea and Tick preventative? Yes No

Please specify any other concerns you may have about your pet you would like to discuss with the doctor.
